FILE HEADING.

Foreign Schps. of 1916-17.

From

The D.P. of Edu.

No. 12432/479 Dated 5.12.16. Received 9.12.16.

Diary No. 2897	Enclos. 20 plate	Spare Copies. –	Serial No. 72

BRIEF ABSTRACT OF LETTER.

Submits proposals for the award of the foreign Schps. of 1916-17.

NOTES AND ORDERS.

Submitted with refer. for orders.

The recommendations of the Committee are to award Schps. as follows:—

NOTES—First Sheet.

G. R. S. 12]

General and Revenue Secretariat. | Edu | File No. 3 of 1916.

No.	Nature of Schp.	Serial No.	Name of candidate	Subject	Necessary particulars.
1	Damodar Das		Mr. M. G. Venkata Rao	Forestry	B.A. (Madras) Physics II class + undergone training at the College in Dehra Dun
2	Ditto		Mr. Raja Rao Patankar	Elect. Engineering	Name not in the list.
3	State		Mr. R. V. Iyengar,	Metallurgical + mineral processes	B. Sc. (Bombay) in chemistry. has not produced the necessary certificates including a certificate of domicile.
4	State		Mr. D. A. Hukeri,	Mechanical Engineering	B.A. (Bombay) + B.E. (Bombay) no mention of his domicile in the list enclosed. – has been in the service of Govt. for 21 months.
5	Local		Mr. G. S. Kurpad	Ditto	B.A. (Madras) Physics + holds a diploma of the Poona Agricultural College.
	~~Ditto~~			Textile manufacture, Dyeing + Leather Industry	
6	Ditto		Mr. Syed Abdul Khader	Dyeing, Textile manufacture, + Leather Industry.	has completed the course for the Intermediate in Arts.

NOTE—Contn. sheet.

G. R. S. 12]

General and Revenue Secretariat. | Edn. File No. 3 of 1916.

No.	Nature of Schp.	Serial No.	Candidate	Subject	Necessary particulars
7	Loan		Mr. T. Rajaram Rao	Dyeing & Tinctorial Chemistry	B.A. (Madras) with Physics. has not produced certificate of domicile.
8	Ditto		Mr. C. Noronha	Botany or Biology or Agriculture	B.A. (Hon) Madras with Botany & Zoology. — is in the State Agricultural Dept.
9	Ditto		Mr. K.V. Subba Rao	Ditto	B.A. Hon. (Madras) with Botany & Zoology. Is now Demr. in the Presidency College, Madras.

2 In the case of candidates for Schps. to study metallurgical and mineral processes Mr. Narayana Kini is stated to be not a Mysorean and he was not selected in spite of his services in the State Edn. Dept. for 4 months, though Mr. Reddy was in his favour on the ground that the distinction between Mysoreans and Non-Mysoreans should not apply in the case of those already in service though it would be valid where it was a question of merely admitting a man newly into service.

3 But Mr. Hukeri, the son-in-law of Mr. P.S. Achyuta Rao, retired Senior Surgeon & Sanr. Com., has been recommended for a State Schp. There is

NOTE—Contn. sheet.

G. R. S. 12]

General and Revenue Secretariat. | EDU File No. 3 of 1916.

Serial No.

the statement that he has been in the State P. W. Dept. for 21 months; but he passed his B.A. & B.E. both from Bombay College and it is not clear whether he is a mysorean.

4 Similarly it is doubtful whether Mr. T. Rajarama Rao recommended for a loan schp., is a mysorean.

5 The rules however require that the candidates should be natives of Mysore by birth or domicile. It is only when qualified candidates who are natives of Mysore are not available that the Schps. should be made open for others who have graduated from a Mysore College. It is not clear whether Messrs. Hukeri and Rajarama Rao satisfy these conditions.

6 In the case of Electrical Engineering Mr. Forbes has held that an officer of his dept., Mr. Rajarao Patankar, should be considered superior to a B.A. hon. man. Though it may be that Mr. Raja Rao has worked in the dept. for a certain number of years it is not clear why a candidate like Mr. Narahari Rao B.A. hon. (1st in

NOTE—Contn. sheet.

2897

G. R. S. 12]

General and Revenue Secretariat. | File No. 3 of 1916.

Serial No.

in 1st class in Physics + 1st class in English) or Mr. Ramaprasad (B.A. hon. with Physics) – nos. 27 + 28 in the enclosed list – should be passed over in favour of Mr. Raja Rao Patankar & Mr. Syed Abdul Khader who has been recom^d. for a loan schp. to study dyeing etc. is also not a graduate. & In the case of Mr. R. Ramachandra Rao, no. 37 in the list, a separate recom^n. received from the Principal of the V.J.T. Institute, Bombay, is also put up in the linked file, for consider. Submd.

8/12/16 (Sd) 9/12

9.12.16

The recommendations require careful consideration

10 I have carefully gone through the applications and it must be admitted that the recommendations are on the whole rather disappointing. As regards the first subject, viz., Forestry, the Committee no doubt recommend Mr. M.G. Venkata Rao. The other candidate Mr. Abdul Jabbar seems to have obtained greater distinction at Dehra Dun and has taken a better degree in the B.A. examination. The reason given for preferring Mr. M.G. Venkata Rao is that he has more experience of Forest work than Mr. Abdul Jabbar. As it may take another six months' time before the candidates are able to leave India Mr.

NOTE—Contn. sheet.

G. R. S. 12]

General and Revenue Secretariat. | File No. of 191 .

Serial No.

Abdul Jabbar will have gained further experience by that time. In these circumstances it is a matter for consideration whether preference may not be giv to Mr.Abdul Jabbar. He has also a special claim fo consideration on the ground of his belonging to the educationally backward communities.

I would prefer Mr A. Jabbar
M
19/12

|| As regards Electrical Engineering, the Candida recommended is one Mr. Raja Rao Patankar who is employed in the Electrical Department. He has no University qualifications but he is strongly recommended by Mr.Forbes who is also of opinion that it is not desirable to select an honours graduate in Physics as it requires about six years' training for such a candidate to become an efficient technician. Mr.Forbes seems to have prepared a scheme in 1915 for training persons for his department ~~in 1915~~ which may be pending in the P.W.D. According to this scheme Mr.Forbes rightly draws a distinction between the training required for officers for higher administrative and technical work in the department and ordinary work. It is desirable to have men ~~xx~~ with University training for the former though not for the latter. Mr. Patankar is only qualified for the latter. To ensure proper selection and training of men in each department I would strongly urge the preparation of a scheme on the lines suggested by Mr. Forbes and if approved, I shall submit a draft. Mr. Patankar was recommended last year also for the same scholarship but though there is nothing on record I may state that one of the reasons why the scholar-

I think Patankar is a deserving candidate & the Committee's recommendation in his favour may be accepted
M 19/12

NOTE—Contn. sheet.

Serial No.

scholarship was not awarded last year was that Mr. Patankar 's qualifications were not considered sufficient.

12 There are two very good candidates who have pass the B.A. with honours with Physical Science among those who have applied for the Mechanical or the Elec trical Engineering scholarships. These are

(i) Mr. V.Narahari Rao, Lecturer in Physics in the Government High School, Bangalore, who has taken the Arni Gold Medal and a first class in Physics.

(ii) Mr. B.K. Ramprasad, who has also passed the B. honours of the Madras University with Physics and has undergone training in the Mechanical Engineering ---- school with a view to being trained abroad.

13 In addition to this there is one Mr.Abdul Nabi also seems to have passed the B.A.degree of the Madra University with some distinction. There are also two persons who are already qualified as Engineers amongs the applicants. In these circumstances, it seems bet ter to select a really good honours graduate, give some preliminary training for one year as contemplate by the rules in the ~~Education~~ Electrical Department and if he gives satisfaction he may be sent to Europe at the en of one year. Meanwhile, Mr.Raja Rao Patankar may be given a shorter training to qualify him for the lower posts of the department. We have given only a loan scholarship to Mr. D.V. Ayya who has the same qualifi cations as Mr.Patankar

14 For Mechanical Engineering scholarships, the can didate recommended is Mr.Kukeri. He possesses very high qualifications and may be regarded as having a domicile in Mysore as he is the son-in-law of Dr.

Serial No.

I agree
M
18/12

Achyuta Rao and is employed in the P.W.D. We want a very goodman to be trained for the workshop.

15 As regards the scholarship for Metallurgical and Mineral processes, the candidate selected is Mr.K.V. Iyengar. He has passed the B.Sc. degree of the Bombay University with Chemistry and is reported to have specialised in Chemistry. His qualifications do not seem to be of a very high order. As we want some good man for mining work, one of the men from the departmen may be selected. As the recommendations for the Damodar Doss and the State scholarships are for the reason given above not quite up to the standard/it is a matter for consideration whether scholarship may not be awarded for some other subject.

I think the scholarship for metallurgical & mineral scholarship may be given to V. Narahari Rao deciding the most brilliant man in the field who is well up both in Physics & Chemistry.
M
18/12

16 Mr. Balaraj Urs has asked for a scholarship to study in the London school of Economics. ~~The candidates recommended are not of a very high standard.~~

17 A number of candidates have also applied for commercial scholarships, but no commercial scholarships were notified this year. One of the applicants Mr.G.S Subba Rao, Head Master of the Chamarajendra Technical Institute, Mysore, is doing very good work in the Commercial School. It is a matter for consideration whether in lieu of one of the above subjects a scholarship may not be given for the study of Economics or Commerce, and Mr.Balarja Urs or Mr.G.S.Subba Rao, selected.

18 As regards,loan scholarships, it is not quite clear why a Mechanical Engineering Scholarship has been recommended for Mr.Kurupad. He has passedhis

General and Revenue Secretariat. | File No. | of 191 .

Serial No.

B.A. in Physics and ~~has also~~ co qualified in Agriculture and has also asked for a scholarship for Agriculture.

19 There ~~was~~ is some doubt about the domicile of Mr. T.Rajaram Rao who has been recommended for a scholarship in dyeing and tinctorial chemistry. As it is a loan scholarship and the subject is one which does not usually attract educated men, the recommendation may be approved. The other two candidates who have been recommended for loan scholarships have both passed the B.A. honours, but they seem to have applied for the same subjects. They are both Europeans

20 The I.G. of Education has stated that there is need for this University for a man who has studied Biology. There is also need for qualified men in the Agricultural Department both in Mycology and Practical Agriculture. If the recommendation of the Committee in respect of loan scholarships is approved, the I.G. of Education will be requested to arrange for the candidates taking up distinct subjects in consultation with the University Council and Dr. Coleman.

All loan schlps applied for maybe 5 of the applicants are graduates + Europeans, not otherwise.
M
19/12

21 The matter may be considered at ~~the next~~ an early meeting of Council

"EXTRACT"

D. M. Narayanaiah 4/1

Secretary to Government,
General Department.

Edu 3-16 16 18

Submitted to His Highness.

G in Sister file Ed 2-15 285 (1)

As approved by His Highness, applications were invited for the award of two State and two Damodar Doss foreign scholarships and five loan scholarships during the year 1916-17. A Committee was appointed to select candidates for the scholarships and they have made the following recommendations :-

1. Forestry	Mr.M.G.Venkata Rao,	Damodar Doss.
2. Electrical Engineering	Mr. Raja Rao Patankar.	Damodar Doss.
3. Metallurgical and Mineral processes.	Mr.K.V. Iyengar,B.Sc.	State.
4. Mechanical Engineering.	Mr.D.A.Hukeri,B.A.,B.E.	State.
5. Agriculture.	Mr.Gundappa,S.Kurpad.	Loan.
6. Dyeing,Textile Manufacture and leather industry.	Mr.Syed Abdul Khadir.	Loan.
7. Dyeing and Tinctorial Chemistry.	Mr.T.Rajaram Rao.	Loan.
8. Botany,Biology or Agricultural Forestry.	Mr. Charles Noronha,B.A. (Hons.)	Loan.
9. --do--	Mr.K.V.Subba Rao,B.A.(Hons).	Loan.

2. The matter was considered in Council who are of opinion that the Forestry scholarship may be granted to - Mr. C. Abdul Jabbar in preference to Mr.M.G.Venkata Rao. He is a Mahomedan graduate with a creditable University record and a promising officer of the Forest Department. The Council are also of opinion that the Electrical Engineering scholarship may be awarded to Mr.Raja Rao Patankar, who - has been recommended by the Committee, for one year only. As regards the other scholarships, it is proposed not to award the one for Mechanical Engineering, as a scholarship on that subject has been recently awarded to Mr. Ramayya, to utilize the amount for meeting the cost of the scholarship already recommended for Mr. Balaraj Urs, and make futher enquiries for selecting, if possible, a better candidate for studying the Metallurgical and Mineral processes.

SPL

(3.) As regards loan scholarships, it is proposed not to approve of the recommendations in the case of Mr.Syed Abdul Khadir, as he has not even passed the Intermediate examination, and of Mr. T. Rajaram Rao who is not a native of the State, to approve of the other recommendations, and grant one of the remaining loan scholarships to Mr. Abdul Wahab, son of late Khan Bahadur Mr. Abdul Rahiman, Councillor, for one year for the study of Economics in the London School of Economics.

(4.) The selections made in Council may be approved. Three of the candidates for whom loan scholarships have been recommended propose to study more or less allied subjects. The choice of subjects may be left to them in consultation with the Heads of the Departments and other suitable advisers.

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE

No. 12432 / 479 /2 Enc. + 41 original Applications.

Bangalore, 5th December 1916.

2897

From

Rao Bahadur
M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To

P. G. D'SOUZA Esq., B.A., B.L.,
Secretary to the Govt. of H. H. the Maharaja of Mysore,
Education and Agriculture *Department.*

SIR,

With reference to Government Notification No.2483/Edn.2-15- dated 27th September 1916 calling for applications for two State, two Damodar Das and five Loan Scholarships for study in Foreign countries, I have the honour to inform you that in response to the Notification forty-one applications were received as per list No.1 enclosed. The members of the Committee appointed in Government Orders No.2518-22/Edn.2-15 dated 30th September 1916 and No.3482-8/Edn.2-15-163 dated the 15th November 1916 consisting of the Chief Engineer, the Chief Electrical Engineer, the Conservator of Forests, Mr. Reddy, the Officiating Principal of the Maharaja's College, Mysore and myself, met on the 27th November last in my office for the selection of suitable candidates for the scholarships and submission of their names to Government.

Of the 41 applications, seven applied for Forestry, though not exclusively, Nos.13, 14, 15, 16, 17, 18 and 19 in the list. Of these, six were graduates and one was an undergraduate, No.19. Among the graduates, two, Messrs. C. Abdul Jabbar, (age 27), (No.15) and M.G. Venkata Rao, (age 29), (No.16) were found eligible for the Forest Scholarship, as they not only possessed high general qualifications but had also

also undergone a course of training in the Dehra Dun Forest College. Mr. M.G. Venkata Rao was selected for the Scholarship as it was understood from the Conservator of Forests that he had greater experience, longer service and more practical training in the Forest Department than Mr. C. Abdul Jabbar.

Next for Electrical Engineering, eight candidates applied - Nos.19, 22, 23, 24, 25, 26, 27 and 28. Mr. Forbes, Chief Electrical Engineer, urged that the case of Mr. Raja Rao Patankar, one of the last year's applicants, and whose name was sent up to Government in my letter No.18890/781 dated 21st March 1916, should also be considered. Of the eight applicants of this year, only the names of Nos.27 and 28 who had passed the B.A. (Honours) Degree Examination were taken into consideration along with the name of Mr. Raja Rao Patankar. Mr. Forbes expressed the opinion that an Honours graduate in Physics needed about six years' training before he became an efficient technician and the Committee accordingly accepted his proposal to select Mr. Raja Rao Patankar, whom he considered as one of the most efficient officers of his Department.

Thirdly, for Metallurgical and Mineral Processes, there were three applicants - Nos.18, 20 and 21. No.18, Mr.E.R.Tirumalachar being a Pass B.A. in Chemistry, No.20, Mr. K. Narayana Kini being an Honours B.A. in Physics and No.21 Mr. K.V. Iyengar being a B.Sc., with Chemistry. Mr. K. Narayana Kini, (No.20) was found to be not a Mysorean. As he held only a temporary appointment in the Education Department for the last four months, Mr. K.V. Iyengar, (No.21) was finally selected by a majority of the Committee, as it was found that he had specialised in Chemistry in the B.Sc., Degree Examination with Physics as his subsidiary subject. Mr. Reddy was in favour of Mr. K. Narayan Kini, (No.20) on the ground that the distinction between Mysorean and non-Mysorean should not apply in the case of those already in service though he recognised its validity where it was a question of newly admitting a man into the service. An Honours graduate in Physics of the Madras University which No.20 was, had to take Chemistry as a subsidiary subject and in his opinion the differ-

ence

difference on that score did not seem to justify a decided preference Mr. Reddy was further, of opinion that those already in the service should, other things being equal, more or less, be given preference a otherwise it would be enabling new men to go above those who have al ready served the State.

Fourthly, for the Mechanical Engineering scholarship there wer fourteen applicants and of them Mr. D.A. Kukeri,(No.29) was selected as he was found to possess very high qualifications, both in general education as well as in practical training. He is a B.A. in Arts an a B.E. in Engineering standing fourth in the first class in the latte Examination. His College course throughout was a very bright one holding as he did various Government scholarships and Fellowships.

Lastly for the loan scholarships, three applied exclusively fo them and eight others alternatively, for loan or State or Damodar Das scholarships, and the Committee selected the following five:-

(1) Mr. G.S. Kurupad, (No.6)
(2) Mr. Syed Abdul Khadir, (No.9)
(3) Mr. C. Noronha, (No.13)
(4) Mr. K.V. Subba Rao, (No.14)
(5) Mr. T. Rajarama Rao, (No.10)
subject to his producing a satisfactory certificate of his being a domiciled Mysorean.

Of these five, Mr. Syed Abdul Khadir (No.9) is not a graduate, while the remaining four are all graduates.

A consolidated list,(No.II) of all the selected candidates for the various scholarships is herein enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

T. Shama Rao,

Inspector General.

Edn. & Agri. *Dept.* s.

No. 12432/479

Dated 5th December 1916.

Received

No. of Enclosure. ~~2 lists~~

2 lists & a file of applications.

Subject.

Recommending the grant of Foreign scholarships for 1916-17.

1.	M. Abdul Rashid student, Wilson College, Bombay, c/o Imamuddin Sahib, Esq., Zamindar and Merchant, Davangere.	-	Commercial Subjects.	Loan	Has passed the Intermediate Examination of the Bombay University and is now studying for the B.A. Degree Examination of the same University.	Yes	Produces a Medical Certificate dated 8th February 1915.
2.	Mr. G.S. Subba Rao, B.A. Head Master, Govt. Commercial School, Mysore.	33	do.	State or Damodardas	Has passed the B.A. Degree Examination of the Madras University with History and Political Economy.	No.	Does not produce the following certificates:- (1) Certificate of birth or Domicile (2) Declaration that he has the consent of the head of the family (3) Medical Certificate. But produces testimonials from (1) The Principal, Davar's College of Commerce, Bombay. (2) Messrs. Batlibai & Batlibai, Incorporated accountants, (London) Bombay. Neither State nor Damodardas Scholarships are notified for Commercial subjects this year.
3.	Abdulla Hussein Sheriff, No.4, Basavangudi, Bangalore.	24	do.	State or Damodardas	Has passed the B.A. Degree Examination of the Madras University with Philosophy.	Yes	States that he wishes to study for B.Sc., (Economics) in the London School of Economics. Neither State nor Damodardas Scholarships are notified for Commercial Subjects this year.
4.	Mahomed Sheriff, Adappa Chowk, Lashkar Mohalla Mysore.		do.	State or Damodardas	Has passed the B.A. Degree Examination of the Madras University with History and Economics.	No	Does not produce the following certificates.- (1) Certificate of birth or domicile. (2) Medical certificate. States that he wishes to study for B.Sc., (Economics) in the London School of Economics. N

4. (Contd)

						Neither State nor Damodardas scholarships are notified for commercial subjects this year.
5. B.R.Aradhya Medical student Grant Medical College, Bombay.	22	Medicine	State or Damodardas	Has passed the P.E. Examination of the Bombay University and is now studying in the 1st M.B.B.S. Class, Grant Medical College, Bombay.	Yes	Neither State nor Damodardas scholarships are notified for Medicine this year. The applicant does not state the kind of scholarship he applies for.
6. Gundappa S.Kurupad Rural Science Supervisor, Department of Agriculture, Bangalore.	..	-	Loan	(1) Has passed the B.A.Degree Examination of the Madras University with Physics (2) Holds a Diploma of the Poona Agricultural College.	Yes	Application was forwarded by the Director of Agriculture. The certificates under Rule VII of the foreign scholarships rules now submitted are those attached to his previous application for a foreign scholarship.
7. S.S. Hunsurkar, C/o T.Raghavendra Rao, clerk, Lunatic Asylum, Bangalore	30	Agriculture	State or Damodardas or Loan.		No.	The applicant does not state his educational qualifications, nor does he produces a certificate from the Head of the Institution in which he pursued his studies. He is willing to accept a loan scholarship.
8. Mahomed Jamaluddin, Son of Mahomed Jaffer, Retired Superintendent of Police, Mysore.	20	Dyeing and Textile Manufacture.	State or Damodardas or Loan.	Has studied up to the Matriculation standard.	No.	He produces all the certificates required under Rule VII except the certificate from the Head of the Institution in which he pursued his studies. He is willing to accept a Loan scholarship.
9. Syed Abdul Khadir, Student in the Maharaja's College, Mysore.	22	Dyeing, Textile Manufacture & Leather Industry.	State or Damodardas or Loan	Has completed the course for the Intermediate Examination in Arts.	Yes	The applicant is willing to accept a loan scholarship.

10.	T. Rajarama Rao, "Gouri Vilas", Royapettah, Madras.		Dyeing and Tinctorial Chemistry.	Loan	Has passed the B.A. Degree Examination of the Madras University with Physics and is now undergoing a special course in Organic Chemistry in the Presidency College, Madras.	N o.	The applicant does not produce the Medical Certificate. But produces testimonials from (1) Mr. Mark Hunter, Prof. of Eng. Presidency College, Madras. (2) Mr. R.L. Jones, Professor of Physics. do. (3) J.E. Ranganathan, Junior Professor of English do. (~~Recommended for a loan scholarship~~)
11.	G.S.Nanjundiah, c/o Messrs.G.S. Srikantiah & Bros. Dodpet, Mysore.		~~Sanitary Engineering~~ Dyeing and Tinctorial Chemistry	State or Damodardas	Has finished the course prescribed for the Intermediate Examination in arts.	No.	He does not produce the Medical Certificate. States that he is now undergoing training in the Bleaching and Dyeing Works started by his brothers.
12.	S.P. Raju		Sanitary Engineering.		Has passed the B.A. Degree Examination of the Madras University with Physics and the B.E. Degree Examination of the Bombay University in Engineering.	No.	Submits his application by cable from Amara, Mesopotamia. States that he is serving in the Army and has permission from Government to apply for a foreign scholarship. No scholarships for Sanitary Engineering are notified this year. Government direct in their Official Memorandum No.3577/Edn.3-16-52 dated 20th November 1916 that the informality in procedure may be overlooked having regard to the fact that he is applying from the front.
13.	C.Noronha, Asst. Mycologist, Dept. of Agriculture, Bangalore.	25	Forestry	Damodardas, State or Loan.	Has passed the B.A. (Honours) Degree Examn. of the Madras University with Botany & Zoology.	Yes	The application was forwarded by the Director of Agriculture. The applicant states that he is serving in the Agricultural Department for the last two years, and wishes to specialize in Sylviculture. If a State or Damodardas scholarship is not granted, he is willing to accept

							a Loan scholarship to study Botany, Biology or Agriculture. Produces testimonials from.- (1) Mr. P.F.Fyson, Professor of Botany, Presidency College, Madras. (2) Mr. A.G. Harper, Acting Prof. of Botany, do.
14.	K.V.Subba Rao, Demonstrator, Presidency College, Madras, c/o C.B. Seshagiri Rao,Esq., Retired Sub-Judge, Shankarpur,Bangalore City.	22	Forestry	Damodardas, State or Loan	Has passed the B.A. (Hons) Examn. of the Madras University with Botany and Zoology.	Yes	The applicant states that he is willing to accept a loan scholarship to study Forestry or Agriculture or Natural Science, if a State or Damodardas scholarship is not granted to him. Produces testimonials from.- (1) Mr.J.G.Tait,Principal,Central College, Bangalore (2) Mr.F.R.Sell, Professor of English, do. (3) Mr. Mark Hunter, Professor of English, Presidency College, Madras (4) Mr. P.F. Fyson,Prof. of Botany, do. (5) Mr. K. Ramunni Menon, Prof. of Zoology, do.
15.	C.Abdul Jabbar, Sub-Asst.Conservator of Forests in charge of Begur Forests, Heggadadevankote Tk.	27	Forestry	State or Damodardas	Has passed the B.A. Degree Examn.of the Madras University with English in I class and Physics ~~and a~~ in High Second class, Has secured Honors, in the Final Examn. of the Provincial Service Course in Forestry at the Imperial Forest College, Dehra Dun.	No.	Applicant states that he has won a gold medal for "Honours", a silver medal for "Botany" and a special prize for being the best student in Sylviculture and that he was a Mysore Government scholarship-holder for his study at Dehra Dun. The applicant is not willing to accept a loan scholarship. Application was forwarded by the Conservator of Forests.

16.	M.G.Venkata Rao, Range Forest Officer, Lakkuvalli	29	Forestry	State or Damodardas	Has passed the B.A. Degree Examn. of the Madras University with Physics in II class. Has undergone training in Forestry at the Imperial Forest College, Dehra Dun.	No.	Applicant states that he has passed with "Honours" from that College and has won a gold medal also. The applicant is not willing to accept a loan scholarship. Application was forwarded by the Conservator of Forests.
17.	D.Narasimha Murti Rao, Son of D. Rajaxxx Rao, Esq. District Forest Officer, Chitaldrug.	..	Forestry or Railway Engineering.	State or Damodardas.	Has passed the B.A. Degree Examn. of the Madras University with Physics.	Yes	States that he has won (1) ~~xxx~~ the Weir Memorial Gold Medal, (2) Bhabha's prize, (3) First prize in Physics for 1916. A statement of the course of study is not submitted.
18.	E.R.Tirumalachar, Chemistry Probationer, Geological and Mining Dept. c/o B.V.Krishna Iyengar, Esq., "Manorama", Bangalore City.	23	Forestry or Mining and Metallurgy	State or Damodardas.	Has passed the B.A. Degree Examination with chemistry.	No.	Application was forwarded by the Director of Mines and Geology. The following certificates are not submitted:- (1) Certificate of birth or domicile. (2) Certificate from the Head of the Institution in which he prosecuted his studies. (3) Statement of the course of study.
19.	P.Josiah, student, 3, Ulsoor Gate, Bangalore City.	23	Forestry, or Electrical Engineering or Mechanical Engineering	State, Damodardas or Loan	Has passed the Intermediate Examn. in Arts and is now studying in the Senior B.A. Class Central College, Bangalore.	Yes	Applicant states that he is willing to accept a loan scholarship. Produces testimonials from Mr. F.R.Sell, Professor of English & Mr.E.P.Metcalfe, Professor of Physics, Central College, Bangalore.

25. C.J.T. B--

20. ~~Mr~~ K.Narayana Kini, Asst. Master, Govt. High School, Shimoga.	25	Metallurgical and Mineral processes	State or Damodardas	Has passed the B.A. (Honours) Degree Examination of the Madras University with Physics.	Yes	Produces testimonials from (1) Mr. R.L.Jones, ~~Ex~~ Prof. of Physics, Presidency College, Madras. (2) Mr.Venkatanaranappa, Asst. Professor of Physics, Central College, Bangalore.
21. K.V. Iyengar	23	Metallurgical and Mineral processes or Engineering	State or Damodar Das.	Has passed the B.Sc, Degree Examination of the Bombay University with chemistry.	No.	Does not produce (1) Certificate of birth or domicile (2) Medical certificate (3) Declaration that he has the consent of the head of the family to proceed to foreign countries for study.
22. C.R. Gowda, Asst. Superintendent, "C" Station, Bangalore Power & Lighting.	32	Electrical Engineering.	~~Damodar~~ State or Damodardas	Has finished the course prescribed for F.A. in Arts and has obtained diploma in 1st class with the degree of Licentiate in Electrical Engineering.	Yes	Application was forwarded by the Chief Electrical Engineer, Bangalore.
23. Eurchshaw, Darashaw, student.	18	Electrical Engineering.	State, Damodardas or Loan.	Has passed the Matriculation Examination of the Bombay University and is now studying in the University entrance class.	Yes	The applicant is willing to accept a loan scholarship.
24. K.S.Chetty, Kamasamudram, Bowringpet Taluk	25	Electrical Engineering	State or Damodardas	Has studied up to the Matriculation standard. Holds a diploma in II class with the degree of L.E.E. of the V.J.T. Institute, Bombay.	Yes	States that he has also passed Examinations in (1) Electrical Wiremen's work, 1st grade (1st class, (2) do. (Honours)(do) (3) Telegraphy (1st class) (4) Telephony (2nd class) of the City & Guilds of London Institute, London

25.	C.J.T.Rozario, son of Joseph Razario, District Excise Officer, Kolar.	19	Electrical Engineering or Mechanical Engineering.	State or Damodar-das or Loan.	Has passed the High School Examination under the Code of Regulations for European Schools, Madras and Bangalore.	Yes	The applicant is willing to accept a loan scholarship. He holds a commission as 2nd Lieute-nant in the Volunteer Forces, India.
26.	C. Abdul Nabi, c/o Mahomed Davud,Esq., B.A., Dist.Inspector of Education for Urdu Schools, Mysore Circle.	21	Electrical Engineering or Mechanical Engineering.	State or Damodar-das.	Has passed the B.A. Degree Examination of the Madras University with Physics.	Yes.	The applicant is not willing to accept a loan scholarship. Holds testimonials from (1) Mr. F.R.Sell,Professor of English, (2) Mr.E.P.Metcalfe, Professor of Physics, (3) F.L.Usher, Professor of Chemistry, Central College, Bangalore.
27.	V.Narahari Rao, Lecturer in Physics, Govt. Col. High School, Bangalore.	23.	Electrical Engineering or Mechanical Engineering.	State or Damodar-das.	Has passed the B.A. (Hon) Examination of the Madras University with Physics.	No.	The applicant does not produce (1) Certificate of birth or domicile. (2) Statement of the course of study. He produces a Medical certificate dated 2nd March 1914. Applicant states that he passed the B.A.Degree Examn. in 1st class both in English and in Physics, that he stood first in the University when he passed the B.A.(Honours) and that he won the Arni Gold medal twice. Holds testimonials from (1) Mr.E.P.Metcalfe, (2) F.L. Usher, (3) Mr.R.L.Jones.

28.	B.K.Ramprasad, son of B S.Krishnaswami Iyengar, Esq., Sub-Judge, No.4.Seshadri Road, Bangalore City.	23	Electrical Engineering or Mechanical Engineering.	State or Damodardas.	Has passed the B.A. (Hon) of the Madras University with Physics.	Yes	Produces testimonials from (1) Mr.R.Ll.Jones, Professor of Physics, Presidency College, Madras, (2) Mr.S.V.Setti, Superintendent, Mechanical Engineering School Bangalore. (3) Mr. M. Damodar Kini, Asst. Professor of Chemistry, Presidency College, Madras.
29.	D.A.Hukari, Sub-Asst. Engineer, Head quarter Range, Mysore	27	Harbour and Railway Engineering or Mechanical Engineering.	State or Damodardas	Has passed the B.A. Degree Examination of the Bombay University with Mathematics and the B.E. Degree Examination of the Bombay University in Engineering.	Yes	Produces testimonials from (1) Mr. H.N. Allen, Principal, (2) Mr. R.S. Cree Brown, Prof. of Engineering, College of Engineering, Poona.
30.	M.V.Ramanuja Iyengar.		Locomotive & Mechanical Engineering	State or Damodardas	Had a course of training in the Mechanical Engineering School, Bangalore for 2½ years in Motor Mechanics.	N o	Application was forwarded by the Loco & Carriage Superintendent, Mysore State Railway works. He states that he is unwilling to accept a loan scholarship.
31.	V.S.Coorg, In charge of Ganging work, Bellur (Camp) Saligrama post, Yedatore Taluk		Mechanical Engineering with special reference to pattern-making & moulding.	State or Damodardas.	Has passed the B.E. Examn. of the Bombay University in Engineering.	No.	He does not produce (1) Declaration that he has the consent of the head of his family to proceed to foreign countries. (2) Certificate of Physical fitness. The applicant does not state his General Educational qualifications.
32.	K.Ramiengar, Work-taker, Mysore State Railway Workshops, Bangalore.	39.	do.	State or Damodardas	Has passed the Matriculation Examination of the Madras, University.	Yes	Application was forwarded by the Secretary for Mysore State Rys. Bangalore.

33. M.K.Srinivasa Rao, Student, 189, Victoria Hostel, Madras.		Mechanical Engineering	State or Damodardas	Has passed the B.A. Degree Examination of the Madras University with Physical science.	Yes.	Produces a Medical certificate dated 18th June 1915.
34. M.G.Gopalakrishna Rao, Superintendent, City Water Distribution, Bangalore	31	Mechanical Engineering with special reference to Pattern-making and moulding.	do.	(1) Had gone up for the First in Arts Examn. of the Madras University. (2) Has obtained a first class certificate of competency of the Boiler Inspection Act (3) Holds diplomas in Licentiate of Mechanical Engineering and Licentiate of Electrical Engineering of the Victoria Jubilee Technical Institute, Bombay, with titles. (4) Has passed the City & Guilds of London Institute Examination in Mechanical and Electrical Engineering	Yes	The applicant states that his first class certificate of competency of the Boiler Inspection Act licenses him to be in charge of Engines and boilers of any Horse power, that he is an Associate Member of the American Institute of Electrical Engineers, and that he has served as an apprentice, Driver, Foreman, Mechanic, Foreman Electrician, Apprentice Engineer Asst. Superintendent, Superintendent with independent charges of works in all the above capacities. Application was forwarded by the Executive Engineer, Water Supply Division. Produces certificates of experience in his profession from various persons, too numerous to mention here.
35. T.Narayana Iyengar, Student, Engineering College, Poona	22	do.	do.	Has passed the B.A. Degree Examn. of the Madras University with Mathematics in 1st class and the First Examination in Engineering	No.	The applicant does not produce (1) Certificate of birth or domicile (2) Medical certificate. Produces testimonials from (1) Mr. J.G.Tait, Principal (2) Mr.M.T.Narain Iyengar, Prof. of Mathematics, Central College, Bangalore.

36. R.C.Paranjoti.	22	Mechanical Engineering	State or Damodardas	Has passed the B.A. Degree Examination ~~with~~ of the Madras University with Physics.	Yes.	Produces testimonials from (1) Mr.J.G.Tait, Principal, (2) Mr.E.P.Metcalfe, Prof. of Physics, Central College, Bangalore.
37. R.Ramachandra Rao, Senior Technical Assistant, Mechanical Engineering School, Bangalore.		Mechanical Engineering with ~~spe~~ reference to pattern-making and moulding.	State or Damodardas	Has passed the Matriculation Examn. of the Universities of Bombay& Madras Holds diplomas in Licentiate of Electrical Engineering and in Licentiate of Mechanical Engineering in 1st class with titles. Has also passed Examns. in Electrical Wiremen's work and Telegraphy of the City and Guilds of London Institute.	No.	The applicant does ~~n~~ not produce (1) Certificate of birth of domicile. (2) Declaration that he has the consent of the head of the family. (3) Medical Certificate. Applicant states that he is a Member of the Junior Institute of Engineers, (England) Produces testimonials of character etc. from the Head and Professors of the Victoria Jubilee Technical Institute, Bombay. He has also passed certain examinations of the American School of Correspondence. The applicant has submitted copies of his answers to the technical problems which appeared in the monthly magazine "Indian Industries & Power". States that certificates of birth, medical certificate and declaration that he has the consent of the head of the family were submitted with his application for a foreign scholarship last year in August.
38. N.Srinivas Rao c/oM.Venkata krishnaiya, Esq., Head Master, Marimallappa's High School, Mysore.	24	Commercial Subjects.	State or Damodardas	Has passed the Matriculation Examination of the Madras University and the Sanitary Surveyor's Examn. of the Bombay University.	No.	Does not produce (1) Medical certificate, (2) Certificate of character (3) Declaration that he has the consent of the head of the family.

39.	T.S.Vaidyanath, Accountant, Bank of Mysore, Shimoga	24	Commercial Subjects.	State or Damodar-das.	Has passed(1) the London Chamber of Commerce Examn. in Book-keeping and accountancy, Senior grade (Distinction Certificate), Commercial and Industrial law, Senior grade (Ordinary certificates) and Methods and Machinery of business, Senior grade (Ordinary certificate; (2) Advanced grade Examns~~s~~ of the National Union of Teachers Examinations of London in Book-keeping, and Accounts, (2nd class), Banking & currency (2nd class), Theory & Practice of Commerce, (2nd class) Commercial Law (2nd class) and Commercial Correspondence (1st class)	No	Does not produce any of the certificates required under Rule VII. The application was forwarded fromthe Secretary to Government, Departments of Education and Agriculture.

My dear Mr. Shama Rao,

In your recommendations for foreign scholarships I find that a loan scholarship in Mechanical Engineering has been recommended for Mr. Gundappa S. Kurupad. From his application I see that he has applied for a scholarship for the study of agriculture. He also holds a diploma in agriculture. I shall be much obliged if you will kindly let me know whether there is any mistake.

Yours sincerely,

14/12/16

Rao Bahadur M. Shama Rao, Esq., M.A.

My dear Mr. D'Souza,

In reply to your D.O.letter No. 4634 dated the 14th instant, it may be taken that Mr. Gundappa S. Kurupad is recommended for a loan scholarship to study Agriculture and not Mechanical Engineering. I regret the mistake made.

Yours sincerely,
H. Sharma Rao

To, 24/11

P. G. D'Souza Esquire, B.A., B.L.,
Secretary to the Government of His Highness
The Maharaja of Mysore,
(Departments of Education & Agriculture)
BANGALORE.

Sir,

I beg to say that I have applied to the Inspector-General of Education in Mysore to grant me a foreign loan -- scholarship for a year as my Bar Course in England is still partly unfinished and I wish to take the L.L.B., (London) as well along with it.

2. When I applied to the Inspector General of Education I was aware that I do not come within the scope of Technical Foreign Scholarships announced by the Government and thus I request that my case be considered separately.

3. Should the Government feel disinclined to grant me a scholarship for Law I beg to say that I am willing to change the L.L.B. for M.A., (Honors in Economics). I have taken all the necessary economic subjects for the ordinary Degree of --- M.A., as the enclosed certificate will show, and therefore I would have no difficulty in finishing the Honors Course and the Bar Final in a year more.

4. I further beg to add that I would not have come back in July last and thought it necessary to petition the Government for this small loan but for the fact that our ----- source of income from rents has been, owing to the War, greatly affected, and as such I find it difficult to support myself --

in England when the cost of living has, of late, considerably increased.

5. So, as I have to go back in March next, I earnestly pray that the Government will be soon pleased to grant me at least a loan of scholarship of £200/-, for my other plans of obtaining a --- loan elsewhere have failed. I am prepared to furnish the necessary security in the shape of some valuable property left by my deceased father.

6. For this act of kind and timely help, I shall be ever grateful.

2, Spencer Road,
BANGALORE,
23rd December 16.

I beg to remain,
Sir,
Your most obedient servant,
M. Abdul Wahab

Proceedings of the Government of H. H. the Maharaja of Mysore.

ISSUED & SUBMITTED FOR FURTHER ACTION

Read--

Letter No.12432/479 dated 5th December 1916 from the Inspector General of Education in Mysore, submitting the recommendations of the Committee appointed for selecting candidates for the foreign scholarships of 1916-17.

Order No. 6746-57/Edu 3-18-112

Dated, 17th February 1917.

After a consideration of the recommendations of the Committee, Government are pleased to sanction the award of foreign scholarships of 1916-17 as follows.

No.	Kind.	Name.	Value.	Subject.
1.	Damodar Das.	Mr.C.AbdulJabbar.	£200 per ~~mensem~~ annum.	Forestry.
2.	do.	" Raja Rao Patankar.	do.	Electrical Engineering.
3.	State.	" M.N.Balaraj Urs.	do.	Economics in the London School of Economics.
4.	Loan.	" Gundappa,S.Krupad.	do.	Agriculture.
5.	do.	" Charles Noronha	do.	Botany or Biology or Agriculture or Forestry.
6.	do.	" K.V. Subba Rao.	do.	--do.--
7.	do.	" Abdul Wahab	do.	Economics in the London School of Economics.

2. In the case of Nos.4, 5 and 6 who have proposed to study more or less allied subjects they may be asked to make their final selection with the advice of the Heads of Departments concerned and other suitable experts and intimate (finally) the subjects chosen

3. The period of the scholarships granted to Messrs. Raja Rao Patankar and Abdul Wahab will be fixed at one year, and in the case of Mr. Balaraj Urs two and a half years and in the case of other candidates, the period will be regulated under the rules.

4. As a scholarship for Mechanical Engineering has already been awarded Government consider that an additional Mechanical Engineering scholarship is not necessary during the current year. Separate orders will issue regarding the ~~general~~ scholarships for Metallurgical & Mineral processes.

5. The I. G. of Edn. is requested to see that all the conditions laid down in the rules are complied with by the scholarship-holders. He should also take necessary steps to select suitable institutions for the training of the scholarship-holders in communication with the ~~convenient~~ Heads ~~Quarters~~ of the Departments concerned, and for the ~~their~~ admission of the students. Quarterly reports of progress should be obtained in the case of each candidate and submitted to Government for information.

Dear Mr. D'Souza,

With reference to our conversation the other day concerning the scholarship of Mr. Raja Rao V. Patankar, I would be very glad if you could let me know if I can begin to make arrangements for his entertainment and training in the United States. I would like him to get to New York by or before the middle of July, so as to get him acclimated before the winter sets in. It is very hard for any one to go from a tropical country to a cold place like New York.

Yours sincerely,

S G Forbes

Secretary to the Government
for Education & Agriculture. 7 april '17

Sir,

With reference to the notification (April 1917) (Vide "Karnataka" 4-4-17) in the Government Gazette I beg to submit this, my application, for a Foreign Scholarship to study metallurgical and mineral processes. In a previous application of mine which was kindly accepted by you on the 7th Feb. 1917 I have mentioned my qualifications and the courses of study I wish to pursue. I have also stated that I would take up a loan in case a State Scholarship is not available. Here also I crave your permission to repeat the same request. I have been permitted by the General Manager of the Tata Steel & Iron Works to work there as an apprentice. And I will join my duty on the 16th inst. As I am very anxious to take part in the development of the Iron resources of our State I take this opportunity to ~~kindly~~ request you, to kindly grant me the said Scholarship or the Loan if the former

this form.

2.

is not available for me. I have enclosed herewith some of the testimonials (copies of) from my Professors. In conclusion I beg to submit that I may be judged by the work I turn out at the Iron works and my aptitude for the same. I need not say that I will put in all my enthusiasm and energy, to my work so that I may richly deserve the scholarship.

Awaiting your further orders
I beg to remain, Sir
Your most obedient Servant
B.K. Ram Prasad.

P.S. I have applied to the President of The Columbia University for admission into the Department of Metallurgical Engineering I might get the reply by the middle of May. And I can avail of the Scholarship by the month of June if I am found fit to be awarded one.

Yours obediently
B.K. Ram Prasad

Sir,

With reference to your notice in the "Hindu" Madras by 31-3-'17 regarding Foreign Scholarship I beg to bring the following for your consideration.

I have passed the B. A. (Honours) Degree Examination of the Madras University in 1916 in Natural Science Branch with Geology as main subject.

I have been awarded the University Prize (the Cromarty Prize for 1916) for standing at the top of the successful candidates of the year in my branch.

If no suitable Mysoreans are forthcoming for the scholarship I request that you will kindly select me for the scholarship in consideration of my brilliant university distinction.

I agree to abide by the rules of the scholarship.

For copies of certificates etc. please see reverse.

Sir,

I, the undersigned, beg to bring to your notice that I have a great desire to prosecute my studies for a few years in applied science in a foreign country. I passed my intermediate examination in April 1914, with a distinction in chemistry. I passed in Part II., (Geology) of the B.A. degree examination of the Madras University held in April 1916, and I have sat for Part I (English) in April 1917, in which I expect to pass. As there is a notification for the awarding of a foreign scholarship for the study of Metallurgical and Mineral processes by the Govt. of Mysore during 1916-17, I ~~wish to~~ hereby apply for the same. I request the Govt. of Mysore to provide me with the schplarship to fulfil my long cherished desire. I herewith, enclose the necessary CERTIFICATES (copies of few and originals of others) with my application and hope that Govt. of Mysore will be kind enough to grant my prayer.

To,

P. G. D'Souza Esq. B.A. B.L.

General Secretary for Education and Agriculture

Bangalore.

Dear Sir,

In applying for a foreign scholarship for the study of metallurgy, I beg to submit the following particulars.

(1) that I applied for the same in November last when the Government called for applications and sent all the required certificates at that time in their original form and that I, therefore, hope that my former application is before the Government,

(2) that I am anxious to specialise in Iron manufacture either in Europe or America wherever the Government sends me,

(3) that, though I am not a Mysorean by birth, I passed the Intermediate Examination from the Central College in the first class in 1912

(4) that, since there was no Honours Course at that time in the Central Colleg, I went to Madras and passed my Honours Exam in 1916 in the II Class taking Physics as my special subject and chemistry as subsidiary

(5) that, after passing the Honours, I have been faithfully serving the Mysore Govt. in the Educational department as a Science teacher in the Shimoga High School,

(6) that, while I was in Shimoga, I used to work in the Govt. Industrial school every morning between 7.30 and 9.30 A.M in the Carpentry and Smithy sections with a view to get some rudimentary training as preparatory for the higher Course in Iron manufacture

(7) that I have been always anxiously waiting for an opportunity to study the above mentioned art

(8) and that if the Government favours me with a scholarship, I shall,

on my return after study, serve the Mysore Government most faithfully as I have been doing even now.

I, therefore, humbly pray that my request may be granted.

I beg to remain,
Dear Sir,

To,

P. G. D'Souza Esq., B.A., B.Tr.,
Secretary to Government,
Departments of Education and Agriculture,

Sir, I beg to submit this my application for the foreign Scholarship of £ 200 per annum to be awarded by the Government of Mysore during 1916-17 for the study of Metallurgical and Mineral processes in Europe or America.

As regards my qualifications I beg to state that I have passed the B.A. Degree examination of the Madras University with Physical Science as the optional subject, and the M.A. Degree examination of the same University in the Second class with Geology as the optional.

In addition to these, I received training in Higher Chemistry and quantitative chemical work under Dr. Morris W. Travers, F.R.S., the first Director of the Indian Institute of Science, Bangalore. The opinion of Dr. Travers on my work done under him is contained in the printed copy of my testimonials and qualifications appended herewith.

I have done also original work in the form of publication of two brochures entitled

entitled 'Geology and Underground Water' and 'Soils' under the auspices of the South Indian Association, Madras, and the opinions of experts on these works are set forth in the printed copy of the testimonials submitted herewith.

I am a native of Mysore by domicile as testified to by the City Magistrate, Bangalore, in the age certificate granted by him.

I am related to a high officer of the State, and Mr V. S. Sambasiva Iyer, Professor of Geology, Central College, Bangalore, is my father-in-law.

As required by the rules, the following is a list of the certificates forwarded with my application.

(1) A satisfactory certificate of birth or domicile.
(2) Two certificates of good character from two persons (not relatives of the candidate) of respectability and good position
(3) A certificate from the Head of the College where he was educated in Arts
(4) A certificate of physical fitness from a Medical Officer not below the rank of a District Surgeon.

Sir,

In response to Notification No. 7956 / Edn. 3-16-138 dated 30th March 1917 inviting applications for a Foreign Scholarship to be awarded by Government for the study of metallurgical and mineral processes in Europe or America, I beg to offer myself as a candidate for the scholarship referred to therein.

As for my qualifications, I beg to state that I am a native of Mysore and that I have passed in Part II of the B. A. Degree examination held in April 1917, taking Geology as my main optional subject with Zoology as a subsidiary subject. I appeared also for Part I of the last B. A. Degree examination. The results of the examination in Part I have not yet been announced.

I append herewith, for your kind perusal and return, the certificat required under Rule IV of the Foreign-

scholarship Rules. And I do hereby declare that I have the consent of my father to proceed to Europe or elsewhere for the purpose of the scholarship.

If Government should be pleased to grant me the scholarship, I will not fail to give entire satisfaction in prosecuting my studies.

I beg to remain,
Sir,
Your most obedient servant,
K. S. Srinivasiengar,
Second Division clerk,
Gen. and Rev. Secretariat.

SECTION

FILE No. 3

No. 1203

Office of the Chief Inspector of Mines,

Kolar Gold Field,

Dated Oorgaum, 30th April 1917.

From

R. Bocquet, Esquire,

Chief Inspector of Mines,

Kolar Gold Field,

Oorgaum.

To

P.G. D'Souza, Esquire, B.A., B.L.,

Secretary to the Government of His Highness the Maharaja of Mysore, Departments of Education and Agriculture, Bangalore.

Sir,

The proposal for the grant of a foreign scholarship to Mr. C.E. Suryanarayana Rao, Sub Inspector of Mines, submitted to Government by the Director, Department of Mines and Geology, with his Memo No. 51, dated 5th February 1914, was ordered to be resubmitted for consideration in 1916 (vide General Secretary's No. G. 7961 Geol. 27-15-1, dated 18th December 1915). In obedience to the above order and in reply to your letter No. 5371-18 Education 2-15-98, dated 27th March 1916, Dr. Smeeth resubmitted the proposal with his letter No. 3533 dated 10th May 1916 to which no reply has been received up-to-date.

As applications for foreign scholarships for the study of Metallurgical and Mineral Processes in Europe or America are being invited by Gazette Notification No. 7956 Education 3-16-138 dated 30th March 1917 and moreover as this is the time of the year when candidates are usually selected for the Damodar Doss or State

Foreign

Foreign Scholarships, I beg to resubmit Mr. C.E. Suryanarayana Rao's case for favourable consideration. This officer has gained considerable practical experience since his appointment to this Department, and I recommend him for a scholarship as a result of the satisfactory work he has done in the Department, and also as a recognition of the fact that his work shows the very marked aptitude he has for the higher branches of scientific and technical study. A further course in any of the recognised mining and metallurgical institutions will not only enhance his knowledge and usefulness to the Department but also broaden his views. His experience of mining and metallurgical operations here is bound to be of great advantage to him while under training abroad, and enable him to devote special attention to some of the more important problems in these subjects which will inevitably occur, locally, now that deep mining is being carried on in the State. In case his application is unsuccessful, it may be not be convenient to spare his services on a future occasion without interfering with the work of the Mining Branch of this Department.

I have the honour to be,

Sir,

Your most obedient servant,

K. Bocquet

CHIEF INSPECTOR OF MINES.

Edn. 3-16 88
Annual 168.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore
Dept of Education & Agriculture
Bangalore

OFFICE OF THE CHIEF INSPECTOR OF MINES
REGD. NO. 1030
APR 30 1917
KOLAR GOLD FIELD.
1 MAY 1917

Through The Chief Inspector of Mines in Mysore
Kolar Gold Fields.

Sir

I beg leave to apply for the Foreign Scholarship notified in Gazette notification No 7956 Edn. 3-16-188, dated 30th March 17, for the study of metallurgical & mineral processes in Europe or America.

My qualifications are as follows:-

I graduated from the Central College Bangalore with Geology for the optional Science subject in the 2nd class in 1912. I won the Coorg Devaiya Gold medal of the College for the year.

I joined service on the 20th Dec 15 & have done the following work:-

6 months of geological survey & prospecting work under the offices of the Department

6 months of underground work on the Kolar Gold Field at the Champion Reef Mines including drilling, blasting, timbering & methods of sinking, driving, stoping, etc.

For the past 4 months I have been engaged at the assay offices, Tube & Stamp

Stamp Mills, learning sampling, panning, Simple & Bullion assays, Retorting & melting of Gold, & the Cyanide method of treating the tailings & slimes.

I have yet to do 4 months of Chemical work at the Government Laboratory & 3 months of work at the Sakchi Iron works including practice in blast furnace & Steel Smelting.

I belong to a respectable non-brahmin family. Certificates of domicile, birth, good character from the head of the College & physical fitness were submitted to Government at the time of appointment & will be resubmitted if necessary. The Consent of the head of the family will shortly be submitted.

During the 16 months of probationership I have had opportunities of improving practically my aptitude for Study & I shall be grateful for more & better opportunities. The training I have already had will, I hope, serve as as preliminary one to the higher Study if I am thought fit to have the opportunity.

I beg to remain
Sir
Your most obedient Servant
V.G. Rangopal.
Probationer
Dept of Mines & Geology.

P.T.O.

No. 1204.

Office of the Chief Inspector of Mines,

Kolar Gold Field,

Dated Oorgaum, 30th April 1917.

Submitted to the Secretary to Government, Departments of Education & Agriculture for favourable consideration and disposal.

The applicant has been under my direction and orders since July 1916 and, during that period, has been attentive to, and industrious in, his work. The experience that he would gain by going through a course of Mining and Metallurgy in a recognized institution in Europe or America and the advantage of a 2 years' training in one or more of the important mining centres should stand him in good stead, develop his faculties and extend his capabilities.

R. Jocqueb

SECTION Eon
FILE NO. 3-16
SERIAL No. 170

Bangalore, 30th April 1917.

To

P. G. D'Souza, Esq., B.A., B.L.,
Secretary to Government,
Departments of Education and
Agriculture, Bangalore.

Sir,

I beg to request that I may be awarded the Mysore Government Foreign Scholarship for the study of Metallurgical and Mineral Processes.

I am a Mysorean, being a native of Bangalore. My family has been living in this City for nearly two generations and has been in possession of lands, property etc. in the State. Some members such as the late Mr. P. Kumarasawmy Mudaliar, Amildar of Seringapatam, have also held responsible places under the Government.

I am a non-brahmin, Vellala by caste, and belong to the Mudaliar Community. My age is now 23 years and 6 months.

I am an Arts Graduate of the Madras University from the Central College, Bangalore. I passed the Intermediate Examination from the Central College, Bangalore, in the First Class. My Optional Subjects were Mathematics, Physics and Chemistry. I gained distinction, i.e., obtained more than 60% of the maximum in the two latter subjects and secured the first place for the College. For the B. A. Examination Part 11, I took up Physical Science Branch 11 (b) (Chemistry-Chief subjedt, Physics-Subsidiary subject). In both these subjects I have maintained a high standard in class. And in the B.A. Degree Examination held last March I passed fairly high. I fell short of a first class by only two marks, having scored 238 marks out of a maximum of

400 when 240 would have fetched me a first class. My rank in this examination was Second for the Presidency.

In July 1916 I entered the staff of the Central College as Demonstrator of Chemistry on a salary of Rs. 70/- per -- mensem, and made the best use of my opportunities there to further my acquaintance with Chemistry both on its Theoretical and Practical sides. With a view to get trained in the methods of Applied Science, and to have my prospects - bettered I joined the Sandal-wood Oil Factory about the -- middle of last month as Chemist on a salary of Rs. 100/- per ~~omnsem.~~ mensem I am now doing experiments on sandal-wood oil in the Indian Institute of Science under Dr. J. J. Sudborough and he has found my work satisfactory.

If the Government be pleased to grant me this Scholarship I shall pursue my studies and work with the diligence and keenness I have always evinced.

Copies of certificates from Mr. J. G. Tait, Principal, Central College, Bangalore, Mr. F. L. Usher, Professor of Chemistry, Central College, Bangalore and Dr. J. J. Sudborough Professor of Organic Chemistry, Indian Institute of Science , and Mr. M. Subbiah, Municipal Commissioner and Honorary -- Magistrate, Bangalore, are herein enclosed. A medical certificate and a declaration of consent from my uncle are also attached. A copy of an official memorandum from the --- Registrar of the Madras University showing the number of - marks obtained by me in part 11 of the B. A. Degree Examination is also appended. I was not able to procure the -- other character certificate as the gentleman from whom I -- wish to get it is away from the station and is expected to return in a day or two, when I shall duly forward it to you.

I beg to remain,
Sir,
Your most obedient servant,
P. R. Balakrishnan

DIARY No. 6836

From Dewan Bahadur Rajamantrapravina
J. S. CHAKRAVARTI, Esq., M.A., F.R.A.S., etc.,
Financial Secretary to the Government of
His Highness the Maharaja of Mysore,

To

P. G. D'Souza, Esq., B.A., B.L.,
Secretary to Government,
Departments of Education and Agriculture.

Dated Bangalore, the

Sir,

Adverting to Government Order No. 7721-3/Edm.3-16-130 dated 21st March 1917 appointing a Committee with myself as Convener for selecting candidates for a foreign scholarship for the study of mining and metallurgy, I have the honor to state that a full notification was duly published in the Mysore Gazette inviting applications from qualified candidates, and a short notice was also published in some of the important newspapers. In all twelve applications were received and a meeting of the marginally noted officers was held at 4 P.M. on the 18th Instant to consider the merits of the several candidates. As a result of the deliberations of the Committee, I am to recommend the names of the following candidates for consideration by - - - Government.

1. The Financial Secretary.
2. The Secretary, Departments of Education and Agriculture.
3. The Director, Department of Mines and Geology.
4. Mr. V. S. Sambasiva Iyer.

Government:--

1. Mr. S. Narayanaswami Iyer, M.A.,
2. " P. R. Balakrishnan, B.A.,
3. " B. K. Ramaprasad, B.A.,
4. " V. T. Venugopal, B.A.,

The Committee are also of opinion that the selected candidate should be required to undergo a preliminary training in India for about a year, and foreign training in England or America for a period of two or three years specializing himself in - - metallurgical operations specially connected with the iron and steel industries. If the candidate should fail to give satisfaction during the preliminary training, the grant of the - - - scholarship should be cancelled.

I have the honor to be,

S i r,

Your most obedient servant,

Financial Secretary to Government

Convener of the Committee.
